

Fast Charging  
Power Bank

# PD+双QC 移动电源

20000mAh

可上飞机

# Product Highlights

22.5W Fast  
Charge for Huawei

PD Fast  
Charge for Apple

2 Inputs & 3 Outputs

LED Digital Display

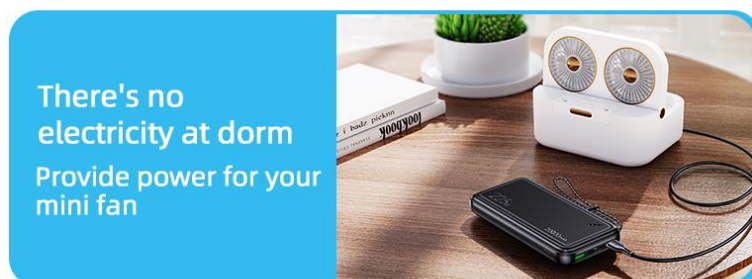

# Big Capacity

20000mAh

Ultra-big capacity, provide sufficient power

Charging phones  
Charge 4.3 times for iPhone 12

There's no electricity at dorm  
Provide power for your mini fan

On team business trip  
Charge 3 phones in sync

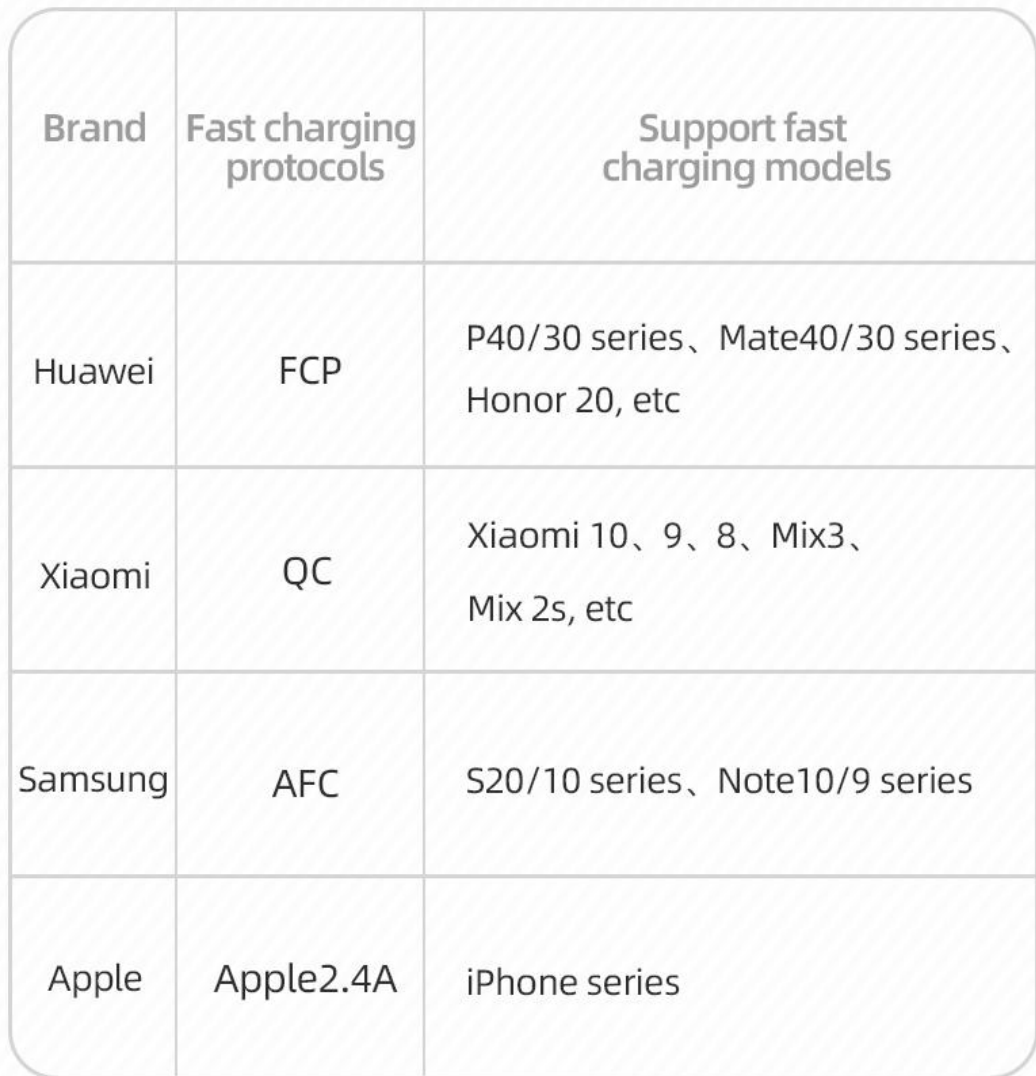

\*Note: The data is from USAMS and might have small deviation in actual use.

## For Huawei P40 Charge 64% Power in 30mins

Dual USB ports support Huawei 22.5W super fast charging/FCP/Xiaomi QC3.0 /Samsung AFC/Apple2.4A and other protocols, wide compatibility.

Brand	Fast charging protocols	Support fast charging models
Huawei	FCP	P40/30 series、Mate40/30 series、Honor 20, etc
Xiaomi	QC	Xiaomi 10、9、8、Mix3、Mix 2s, etc
Samsung	AFC	S20/10 series、Note10/9 series
Apple	Apple2.4A	iPhone series

\*Fast charge= fast charging model + fast charger+ fast charging cable  
(None is dispensable,otherwise it is normal charging)

\*Do not support fast charging for OPPO、vivo

\*Note: The data is from USAMS and might have small deviation in actual use.

# For iPhone 8-12 50% Charged After 30mins

Type-C port support PD fast charging protocol, very fast charging speed.

## PD Fast charge

Get 50% power in 30min

\*To fast charge for iPhone 8-12, it requires to use with Type-C to Lightning PD cable (Prepare it by yourself).

## Normal 5V/1A charge

Only get 18% power in 30min

\*Note: The data is from USAMS and might have small deviation in actual use.

## 2 Inputs & 3 Outputs Two-way PD Fast charge

Support two-way PD fast charge, using with 18W PD fast charger to fully charge for the power bank in 4.5hrs.

USB output  
Micro input  
Type-C input/output  
USB output

Get fully charged in 4.5hrs  
Using with 18W PD fast charger

(Input) Charge for the power bank:  
Micro/Type-C

1 Micro 2 Type-C

(Output) Power bank charge for other devices:  
Type-C/Dual USB

1 Type-C 2 Dual USB

\*Note: The data is from USAMS and might have small deviation in actual use.

# Charge 3 Devices in SyncTime-saving

With 3 fast outputs, support charging 3 devices at the same time, and the total output can up to 5V/3A(Max).

# Digital Display Battery Status

LED real-time digital display available  
power and charging status.

0-25%

26-50%

51-75%

76-100%

Green : fast input/output  
White : normal input/output

# Li-polymer Battery Smart IC Control

Ultra-big capacity lithium battery cell energy storage, using intelligent microcomputer management IC + multiple protection circuits, high-efficient charging.

Overcharge protection

Over-discharge protection

Overvoltage protection

Overcurrent protection

Overpower protection

Overheating protection

Anti-reverse protection

Short circuit protection

Battery protection

Electromagnetic field protection

# Portable Anti-fingerprints

ABS fireproof shell + portable lanyard  
round frame, smooth and comfortable

# Product Information

## 产品信息

品牌: USAMS	型号: US-CD168
名称: PB60 QC3.0+PD快充双USB带挂绳移动电源	
材质: ABS+PC	颜色: 黑色
容量: 20000mAh	额定容量: 12000mAh
重量: 约408g	功率: 22.5W (Max)
尺寸: 143.7*69.5*28.7mm	Micro输入: 5V==2A 9V==2A 12V==1.5A
Type-C输入: 5V==3A 9V==2A 12V==1.5A	Type-C输出: 5V==3A 9V==2.22A 12V==1.67A
USB 1/2输出: 4.5V==5A 5V==3A 9V==2A 12V==1.5A	多口同时输出: 5V==3A
蓄电时长: 约4.5小时	电芯: 聚合物锂电池
配件: Micro充电线*1	适用设备: 平板/手机等设备
