

## Product parameters

Brand: SARY Product Model: LY-031

Latch stroke: 4.2mm Lock tongue suction:  $\leq 1\text{N}$

Use voltage: DC12V

Use current: DC12V--0.4A

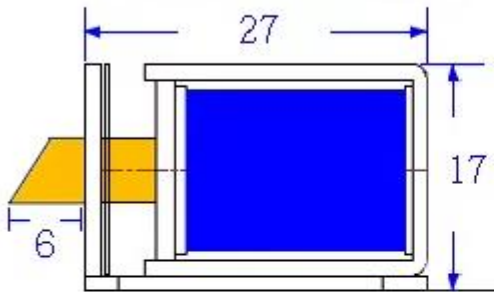

Power-on time:  $\leq 3\text{S}$

Material used: stainless iron plated shell, pure copper coil Safety type: power-on retract, power-off pop-up Scope of use: installation of various cabinet doors and drawers; refit of electrical machinery and equipment

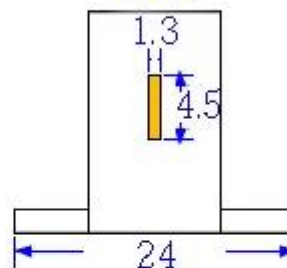

Unit of measurement: mm

Lead length: 80mm

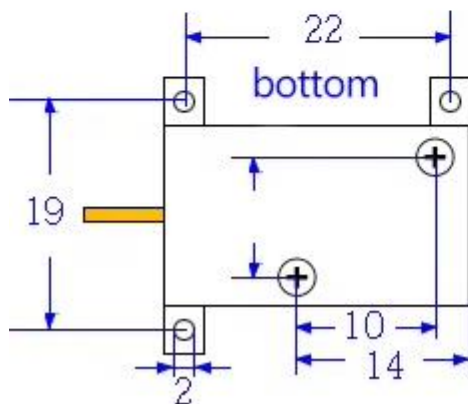

Power-off state

front
