MS8910 SMART SMD TESTER

- Easy test of SMD capacitor and resistor with clip
- Auto scanning and auto ranging for resistance, capacitance or diode test automatically, just clip and get the reading!
- With spare replacement clips & protection case
- Data hold, auto power-off
- 3,000 counts LCD display, safety as per IEC1010-1

Technical specifications

OHM: 300/3k/30k/300k/3M/30MΩ, ±1.0%
CAP: 3n/30n/300n/3μ/30μ/300μ/3m/30mF, ±2.0%
Continuity (<30Ω) & diode test
Battery: 3Vx1, Lithium
Dimensions: 175x32x19mm
